The Greater Harlem Real Estate Board is known throughout the City of New York and the surrounding communities as an organization that promotes Democracy in Housing. Our members are actively engaged in the many disciplines of the real estate profession. We hold monthly meetings in which members can promote their businesses while networking with each other and various institutions that support the real estate industry.

The Greater Harlem Real Estate Board also hosts and promotes one of the nation's largest Home Buyers Fairs. Another important event for us is the Real Estate Awareness Day where we introduce young adults to the real estate profession and give scholarships in honor of one of our founding members, Emily Ricks.

Your financial support has helped us to achieve many of our goals. We look forward to working with you throughout this year.

Lois R. Manning,

President
