President

Greetings REALTISTS,

Congratulations on behalf of the National Association of Real Estate Brokers as we celebrate your theme “**Building a Bridge for the Future**”. Truly, we appreciate the support of the Greater Harlem Real Estate Board. It is a blessing to serve you in a positive and productive capacity. Striving to uphold the excellence intended by our forefathers; we must progress toward a bright future in the best interest of this historic organization.

Moving forward as your 24th President our theme will be “**REALTISTS REBUILDING AMERICA**”. In light of the recent devastation that our communities have suffered, REALTISTS are stepping forward, showing the way to create opportunities for those who have been uprooted and displaced. We must continue to develop what we have, access what we don’t and educate ourselves to manage what has been given.

Our goals are to:

- a. Expand our membership base
- b. Increase our outreach efforts
- c. Enhance our external communication

Together, we must take back our families, our homes, and our communities holistically through education, motivation and participation. **Together**, we exhibit the power to make a difference in our communities. **Together**, we are one body with many parts. Each part is unique, needed and valuable for the whole body to function in its capacity and move forward. Inclusiveness will enlarge our territory, break down barriers and allow everyone to grow.

Be encouraged, make the commitment to serve, rise to the challenge and let us work together to promote “Democracy in Housing”. Be motivated by those who paved the way before us and step out on faith for the greater good. We can do this!!!

God Bless!
